

Federation Action Plan

Child Copy

How

- Make sure our Early Years children achieve as much as they can.
- Help all our children in the schools learn how to behave as they should.
 - Make sure our pupils understand their place in the world and how others in our world are different to us.
 - Give all our children every opportunities to sing, to play music, to play sports and to share their voices with others.
- Make sure that we all get better in our Writing across the Federation no matter where we are starting from.

What are we going to do?

- Help our Governors understand our schools better so they can manage the Federation well.
- Give all our children in Reception new equipment to help them learn and achieve even more.
- Help our pupils in our Federation be better prepared to join us and be better prepared when moving between our schools.
- Help all our pupils get the same opportunities as one another making small changes to make
- Make sure all our pupils keep happy, safe and eager to learn at school with the right attitudes and the right support.
- Help our schools keep the sporting and after-school care offer we have by changing them to something that needs to be paid for.
- Get better at how we understand the very basics of writing, how we make our sentences clearer, how we include better words in our work and how we make people enjoy reading what we have written.
- Give the pupils and staff every help to keep their minds and bodies as healthy as they can be.
