Dear Parents/Carers,

30.10.23

I am pleased to inform you that on Tuesday 28th November 2023, some of our Years 1 and 2 children have been chosen to take part in a Speed-Stacking event across the morning at East Norfolk Sixth Form College.

Speed Stacking is a plastic cup stacking game, where children make balanced towers out of a given number of cups and then return them, at speed, to a normal stack of cups.

We are only permitted to bring twelve children. We attended last year and the children had a lot of fun. No practice is necessary, but we do have a speed stacking set should this be of interest to the children. It is also great to be involved in something different and something fun.

The children will be travelling by coach and will leave at about 9:00am returning to school within the normal lunch hour. The event is from 9:45am-11:45am.

If you give permission for your child to take part in the tournament, please fill out the slip below and return it by Friday 10th November 2023.

Yours sincerely,

Mr. B. Young
Headteacher
