Dear Parents and Carers,

18th June 2024

On Wednesday 3rd July, the Infant school will be hosting their Sports' Day carousel of events across the morning. It would be great if you could attend to support and encourage all participants in this enjoyable occasion. We are looking to begin at approximately 9:30am and finish at approximately 11:30am. Children will then return to class with staff allowing all parents to depart.

The children will compete in their class groups and collect points for their house team – **Ranworth**, **Barton**, **Hickling** and **Filby**. Each class will carousel around five different events and we invite the parents of the children in each class to move around with them. Classes will be prompted to move to the next activity by the Headteacher at appropriate times signified by a whistle/bell being sounded.

The five stations are (see map)

Obstacle course on the grassed tyre area adjacent to the car park.

Flat, straight sprint race on the bottom field.

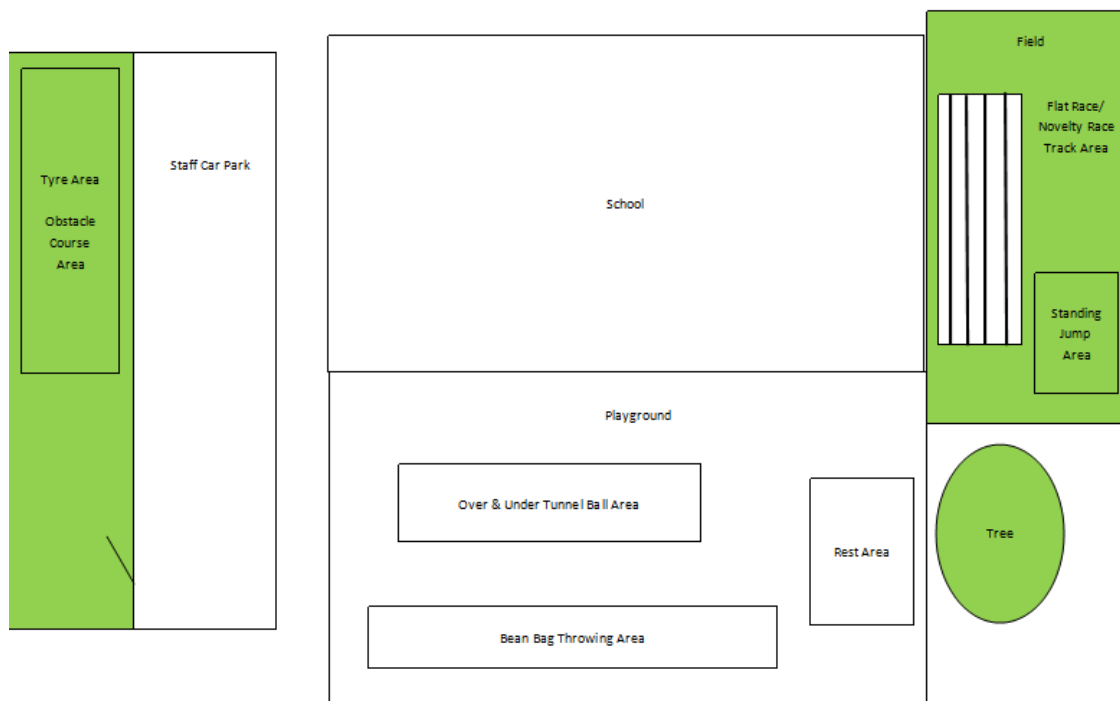

Bean bag throw on the playground.

Over and under tunnel ball on the playground.

Standing jump on the bottom field.

There will be a rest station under the large tree at the bottom of the playground.

Infant Sports' Day Map

Scores will be kept throughout the morning and the winning House Team will be selected once all scores have been tallied.

Children will stay with their teachers throughout the events. If any pupil needs the toilet, staff will be there to ensure this is facilitated. If any parent needs the toilet, please use the staff toilets. If any pre-school age sibling needs the toilet they must be accompanied by an adult. Please use the disabled toilet only and not the children's toilets. Please ensure all visitors go through the main entrance to use the toilet.

Children should come to school in their school PE kit with suitable footwear for racing. They also need a sunhat and their water bottle. Sunscreen can be applied before coming to school, should it be required. Please keep an eye on the weather forecast – things can be quite unpredictable at this time of year.

We hope everyone does their best and enjoys a wonderful morning together.

We look forward to seeing you there.

Yours sincerely,

Mr. Bradley Young
Headteacher
