

Federation Action Plan

Child Copy

How can we make our school better?

- Help everyone in our Federation embrace what we feel is important for everyone in our school community (Our Vision Straplines).
- Make further changes to our curriculums so that we can enjoy new ways of learning (Nature Area/Immersive Learning Classroom).
- Create opportunities where we can learn about those who are different to us through their jobs, religions and cultures.
- Make sure that we all get better in our Reading, Writing and Maths across the Federation no matter where we are starting from.

What are we going to do?

- Help our Governing Body grow in number by finding new people with new skills to join them.
- Help our staff find training to keep them being the best that they can be so that our learning becomes even stronger.
- Help make our schools look and feel even better for everyone with new refurbishments.
- Make sure everybody in our school feels that difference is something to be welcomed and celebrated and that help is always there for anybody who needs it.
- Help everyone in our schools have a space to share worries and gain the skills to deal with difficult things we may have to face from day to day. (HIDE/NEST)
- Use trips inside and outside of the County to inspire us to learn more about the world.
- Get smarter at how we write: we learn how to talk about writing, we learn to read how others write well and we learn how to write with our own independent style and flair.
- Help us to keep our Federation a place where our behaviour is always as good as it can be, our attitudes to our learning are strong and we work hard for ourselves and each other.
