Dear Parents/Carers,

4.11.25

I am pleased to inform you that on Friday 21st November 2025, some of our Year 1 children have been chosen to take part in a Speed-Stacking event across the morning at East Norfolk Sixth Form College.

Speed Stacking is a plastic cup stacking game, where children make balanced towers out of a given number of cups and then return them, at speed, to a normal stack of cups.

We are only permitted to bring twelve children. We have attended for the last three years and the children had a lot of fun. No practice is necessary, but we do have a speed stacking set should this be of interest to the children. It is also great to be involved in something different and something fun.

The children will be travelling by coach and will leave at about 9:00am returning to school within the normal lunch hour. The event is from 10:15am-12:00pm. Lunches can be ordered in the morning and eaten upon our return.

If you give permission for your child to take part in the tournament please fill out the slip below and return it by Monday 10th November 2025.

Yours sincerely,

Mr. B. Young
Headteacher

To Mr. Young,
